This is...

It's been 6 months.
That's...
We lost *something* across the Grand Canyon when we fought those pursuers.
Aion!
His hair is short, though...

That kind of stuff really pisses you off.
We 'demons' can't detect *it*
The Sinners!?
Is that why... you brought me here?

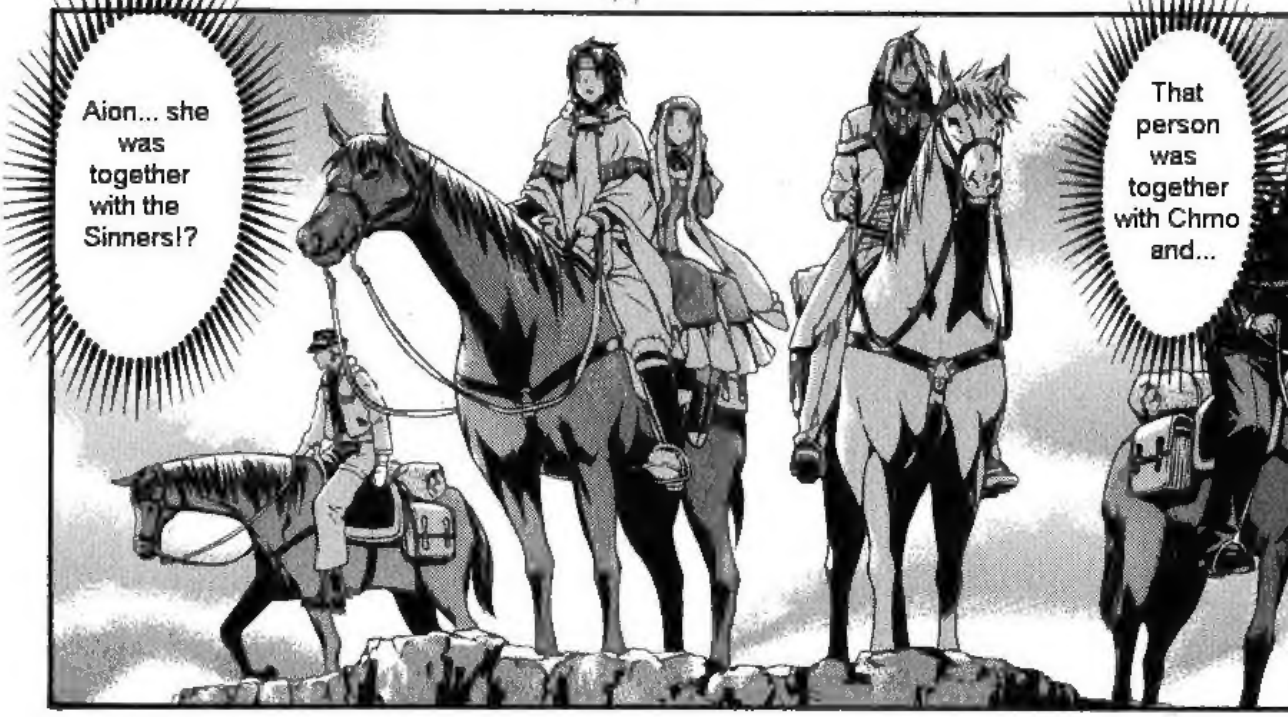
The prophet, whose eyes can see everything...
From a far away past-- to a far away, distant location-- to the words of the dead.
Yes, you can search for it.
This voice... belongs to...!?
!!

ACT 36

Holy Maiden Magdalene

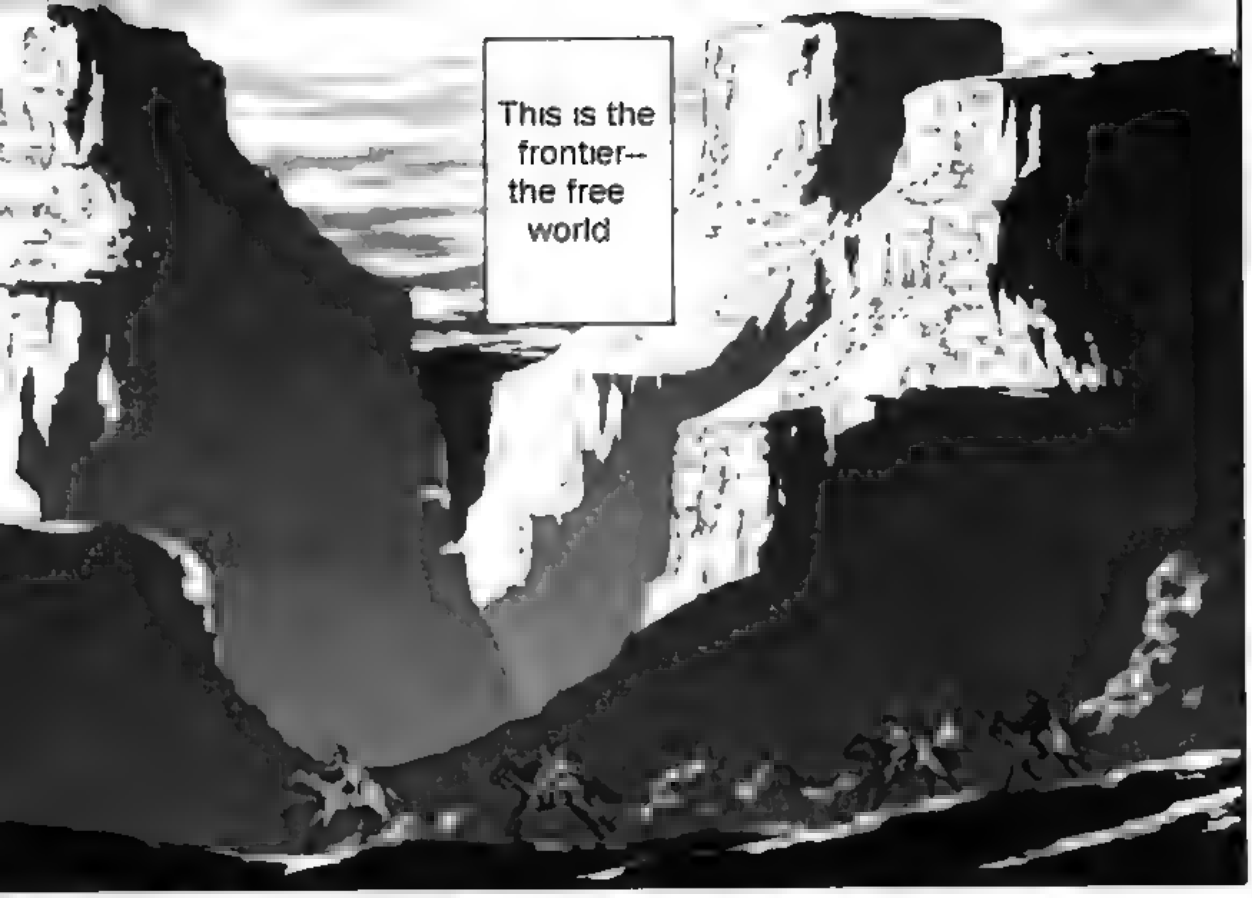
AD 1870, State of Arizona, Northwestern area

That girl is... 'Magdalene'? The one from the Magdalan Order?
The one in the old records?



Aion... she was together with the Sinners!?
That person was together with Chrno and...

We've been on the surface of the earth for 6 months.



This is the frontier-- the free world

Our dream of freedom is still very far away
However-- fights against Pursuers were waiting for us day after day

This power surpasses that of a human
The Magdalan Order had a reason for 'protecting' her
It wasn't a mistake to kidnap her, don't you think?
I guess the risk of having her with us is worth it

There's... a tiny bit of movement 50 miles downstream...
Just a little more
Aion!!
That discovery is only a step away Let's go!
The area has been narrowed to 1/100 in just 3 days

She just percepted everything in an area of 100 miles, right!? Of course she should be exhausted!
Don't say such a foolish thing! Beat her until she wakes up!
We got to let her rest first
We just have to go south along the river, right?
Alright Seems like we'll manage the rest on our own
We'll leave her to you, Chrno
You're the one who suggested it so make sure that you look after her properly
We'll be back by tomorrow

Yeah they can't search from the sky, so it's going to take them a while
It's okay, just keep resting for now
did everybody went ahead?
Uh
Zzzz
.....
I'm sorry I'll do that
It's like there's no meaning to the difference between humans and demons
enigmatic woman, isn't she
From the time we met, she hasn't been nervous at all

Magda-
lene?
Are you
all right
already?
Yes,
I'm
completely
fine
Chrno~?
I'm here,
I'm here!

Good morning

What is 'laundry'?
Anyway, what are you ?
What do you mean by 'too bad'?
I'm doing laundry These clothes are the only ones I have
Too bad!
I just finished bathing
Can you excuse me for a moment?
?
W, wait, what are you doing!?
It's alright, just take it off!
Wah!
Splash

chuckle
You'll never be popular with women, no matter how wonderful you are
I already said I don't really care
No I won't let it be so worn out
Don't get carried away!
My, my, he's getting embarrased
But understand the situation a little
Once that time comes
Those were Aion's orders
Until the search is over, I cannot harm you

Kill me right?
Once that time comes you will have to
Is that what your role is?
That's what you asked the first time we met wasn't it?
.....
If those are his orders, I will have to obey them
I am Aion's sword

http //www chrno-crusade com

Why did you choose to come with me?
That was the night of the Knights Order-

Who's there
You will have to come with me
Aion needs you
you're Holy Maiden Magdalene right?

http://www.chrno-crusade.com

How do you know my name?
Damn!

Is it the Magdalan Order's style to attack people by surprise?
Nobody is allowed to touch the Holy Maiden
Much less a demon!
What should I do? Kill them all? 'Freeze' them? It would take me a second to get rid of them
However
He will strike diagonally over his head in 6.2 seconds
0.05 seconds after that, make a straight line from your left side. there won't be any obstacles
Please fly with all your might
This is...

If you do that,
You will be able to escape *without hurting anybody*
A predic-tion!
So she sees the future!
Here he comes!

Holy Maiden Magdalene
Reinforce the barrier, don't let them escape!
Outside! They won't turn around!
We can't, it's too late!
What do you intend to do?
Bring a horse!
Hurry up! Ewan!!
This is an emergency situation, the Holy Maiden has been ...

You didn't want to hurt anybody
Because I saw it
"I knew"
between your role and yourself
You are swaying.
turn
That's why I came here
I am the same

Here! It's finished!

But those words violently permeated my heart She saw through everything
She's an intriguing woman

But
I'm a sword
Smells like a sunny place
A sword can't hesitate about the way it lives

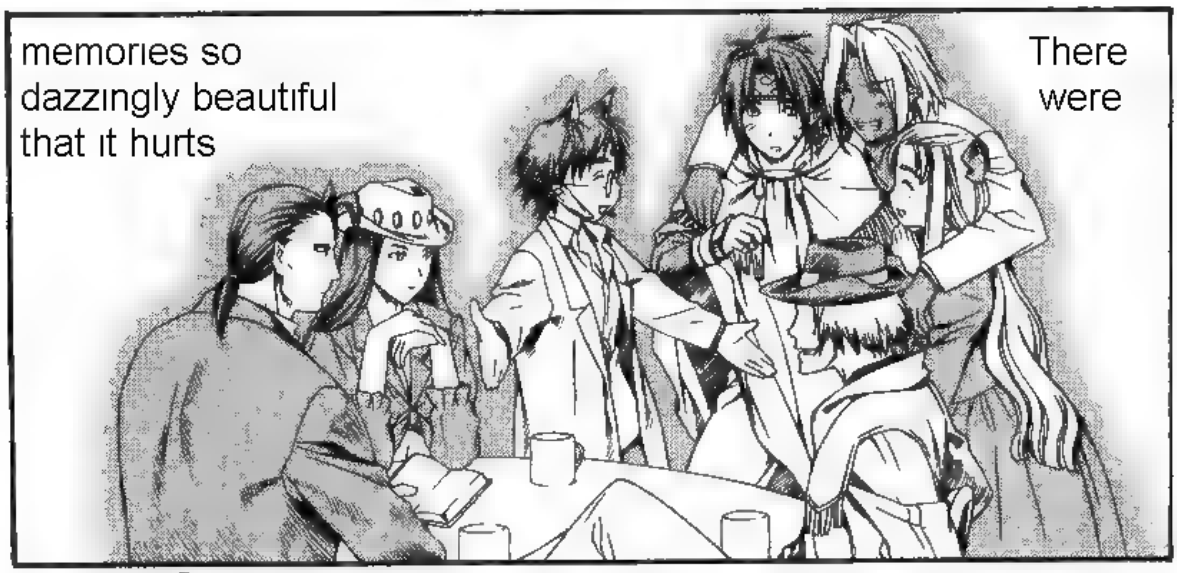
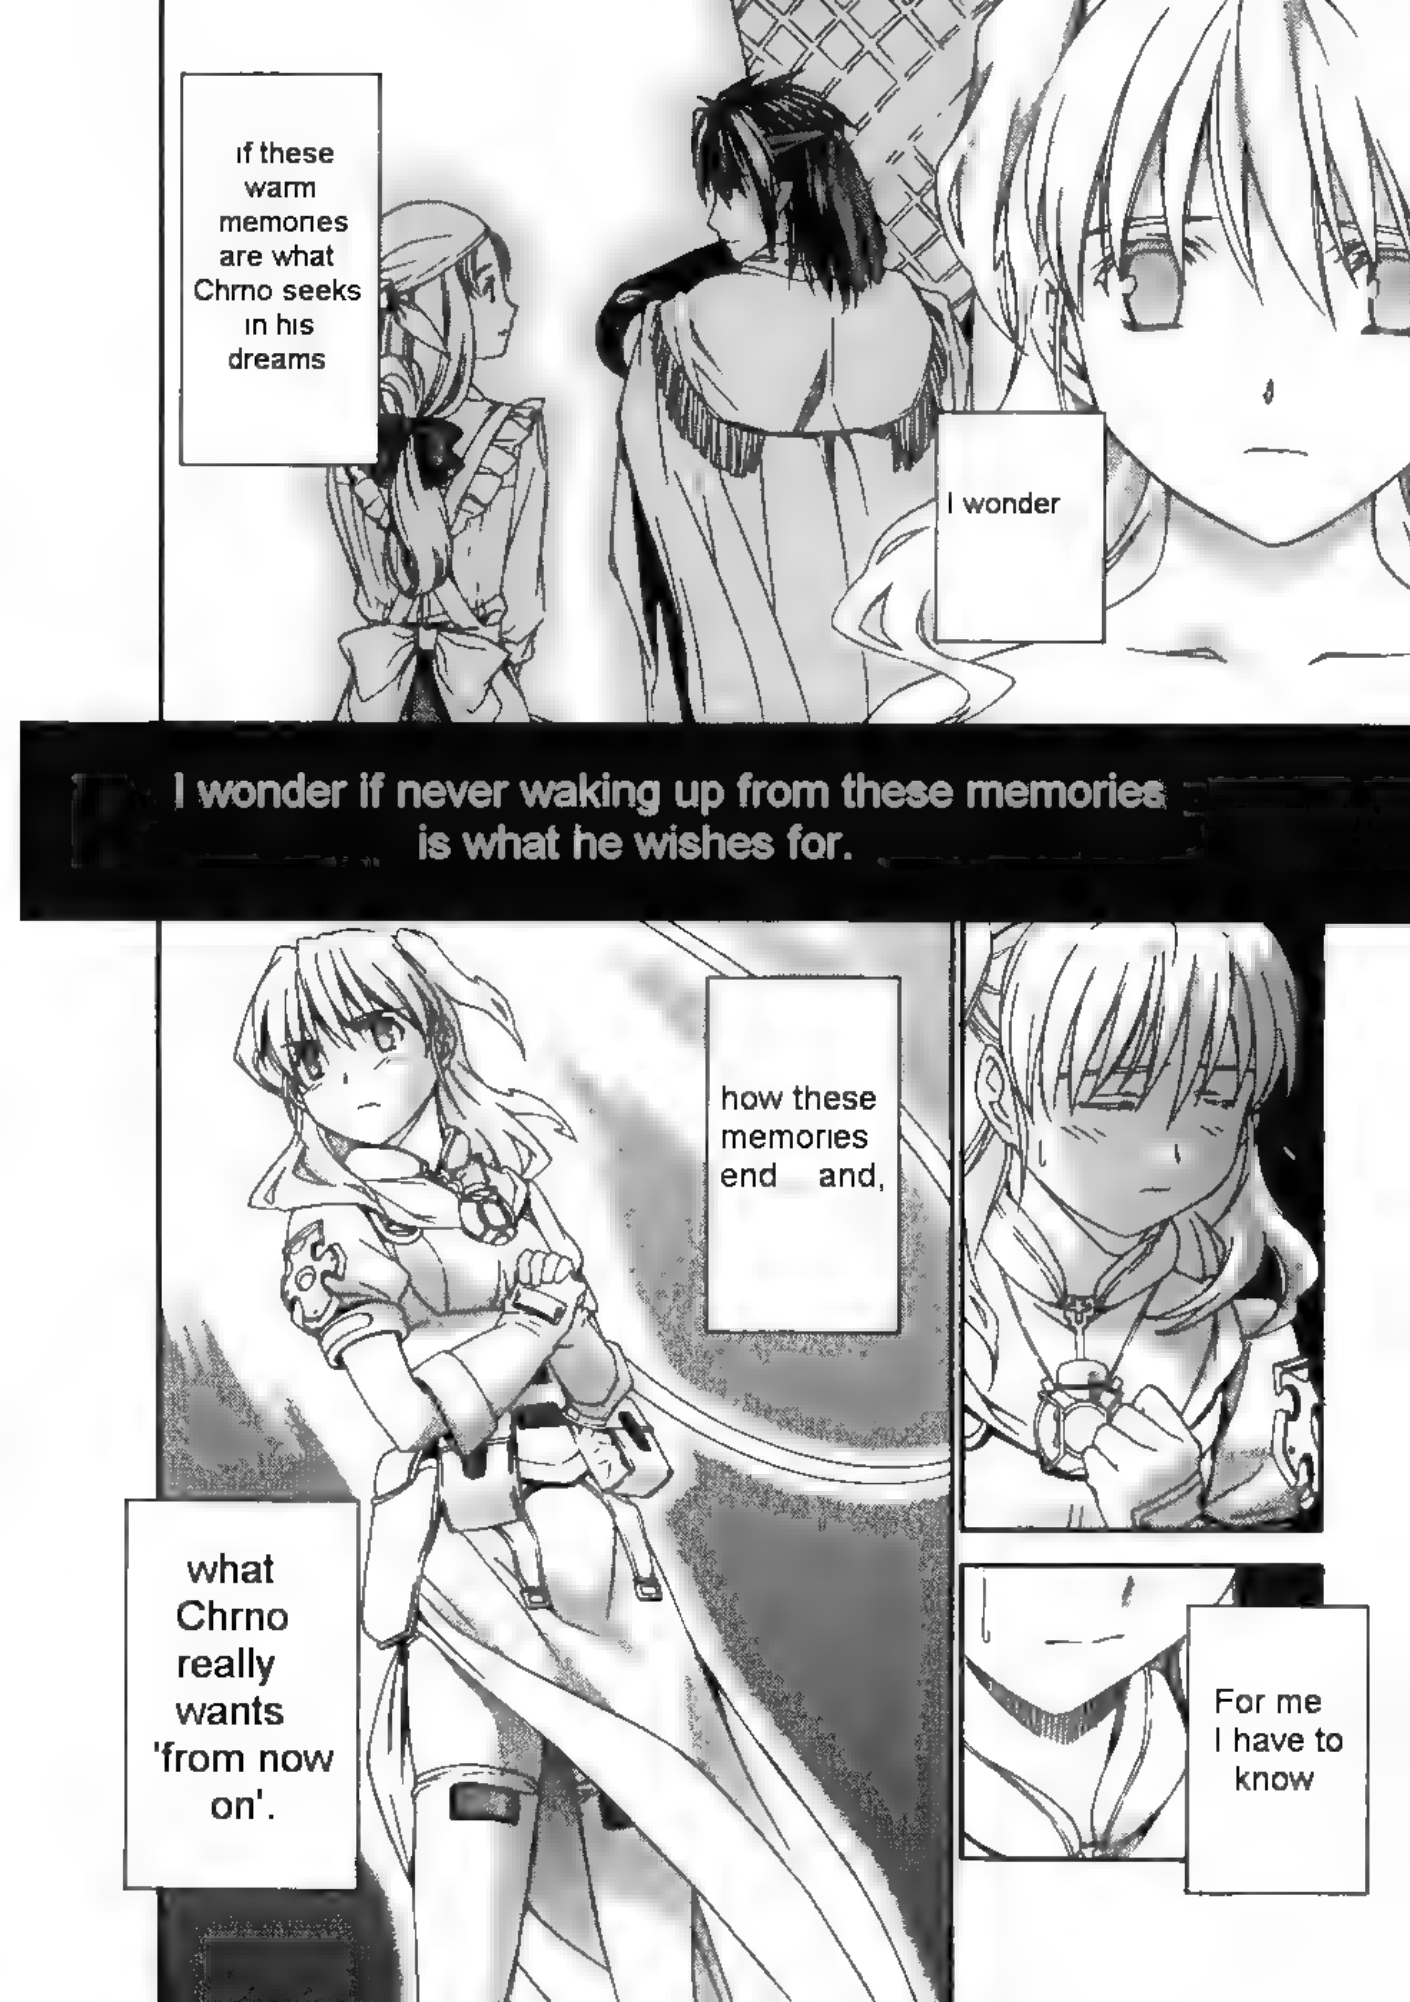
I am now journeying in the swirling depths of Chrno's memory
Chrno had such dark and thirsty eyes 50 years ago
And the ethereal Holy Maiden, Magdalena who was just like a cloud
Her encounter with Chrno began to change him and his surroundings



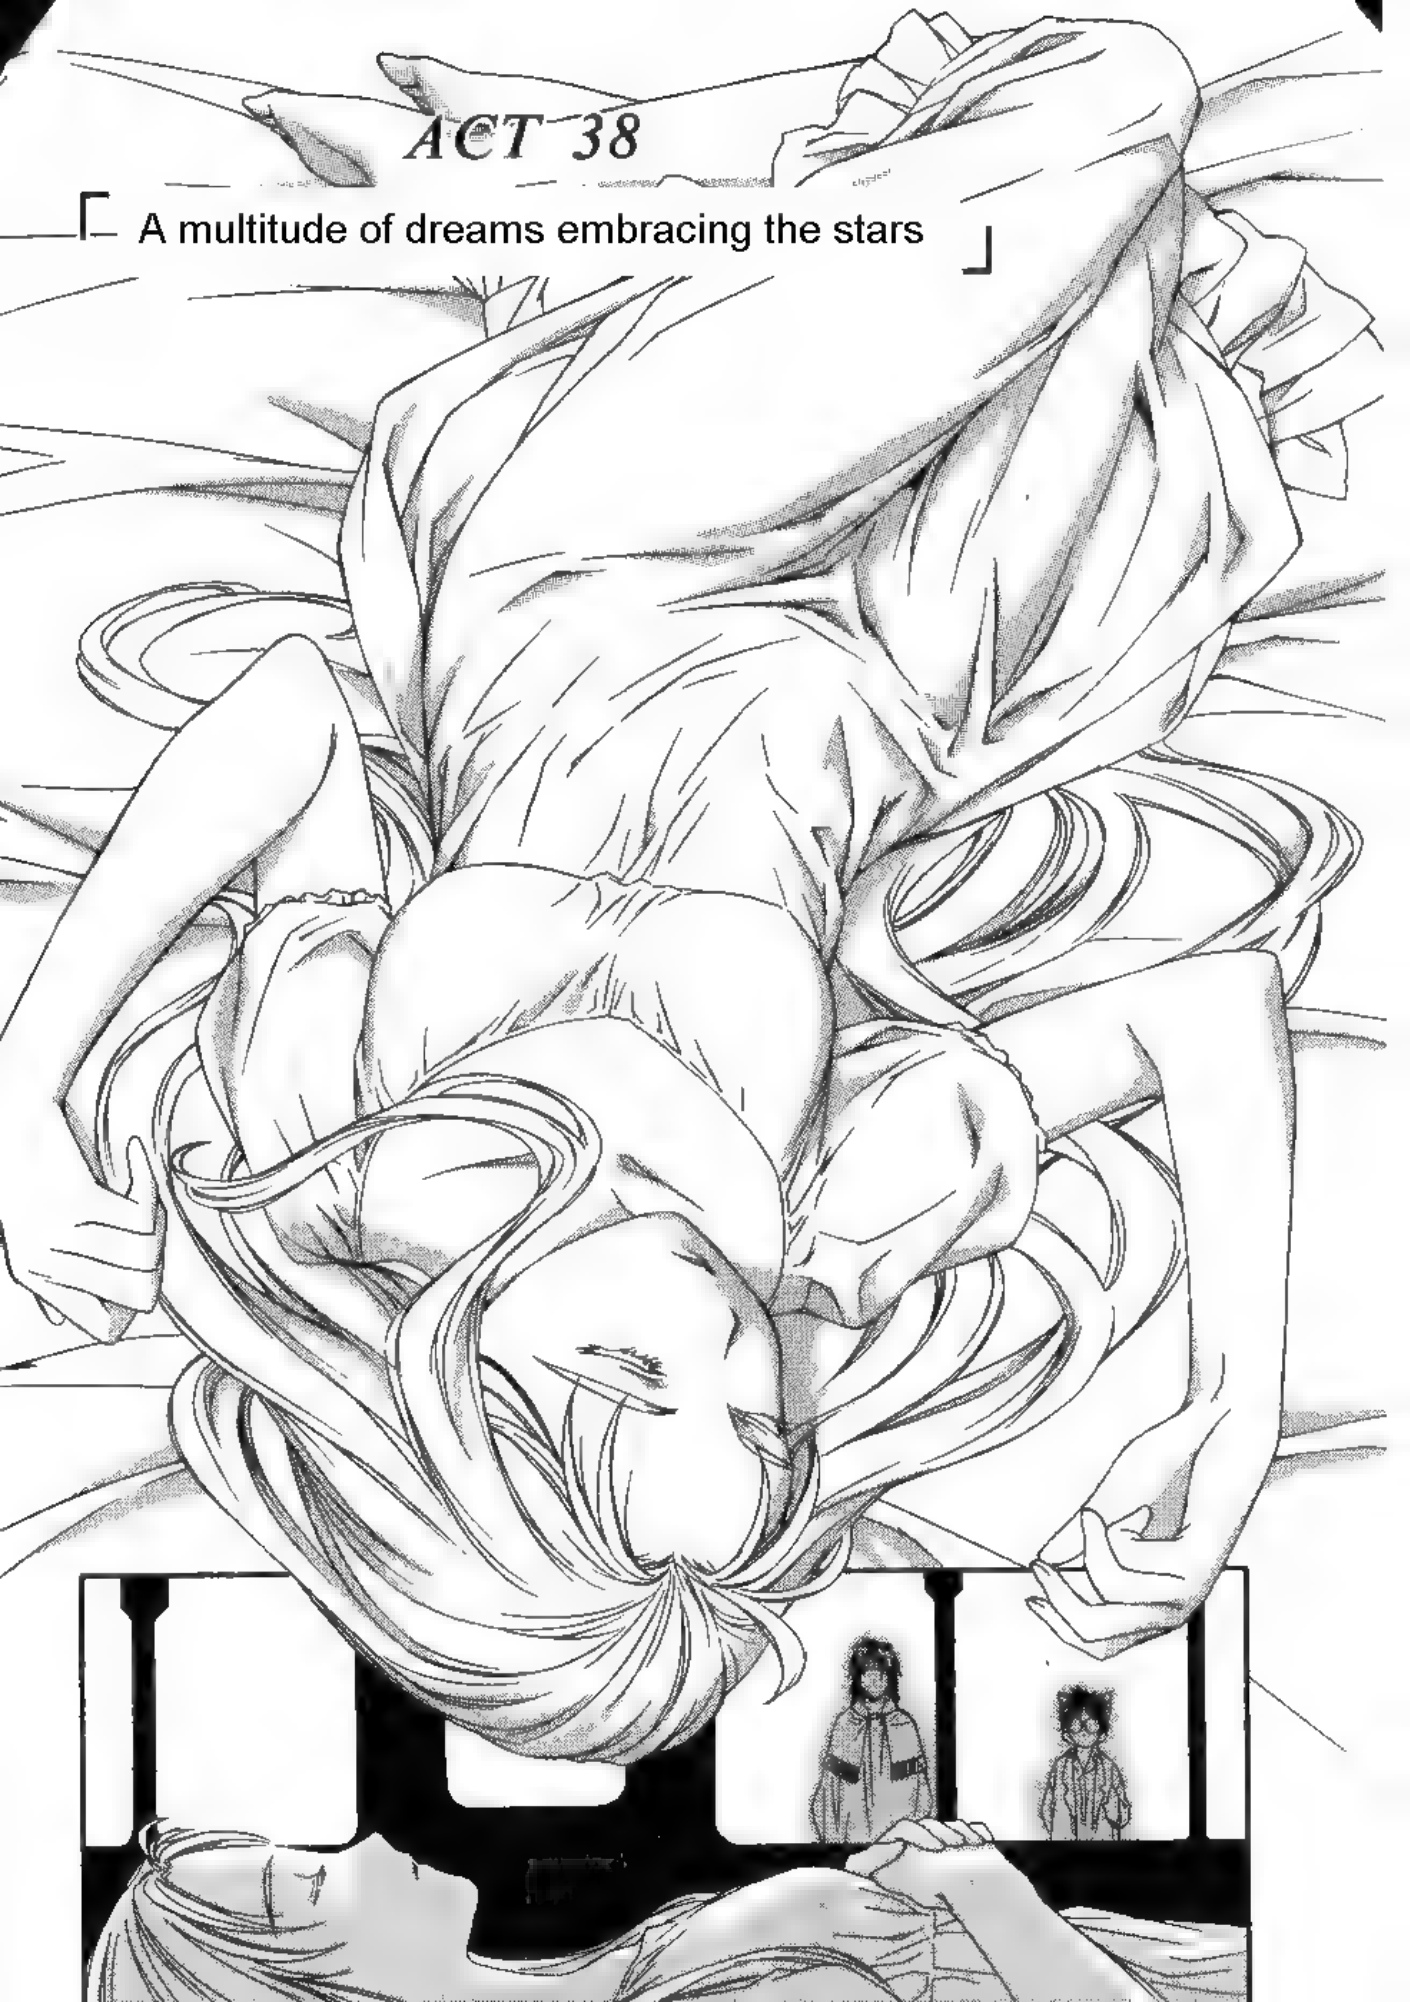
There were
memories so dazzingly beautiful that it hurts



if these warm memories are what Chrno seeks in his dreams
I wonder
I wonder if never waking up from these memories is what he wishes for.
how these memories end and,
what Chrno really wants 'from now on'.
For me I have to know

ACT 38

A multitude of dreams embracing the stars



I hope they are nice dreams
Yeah
I wonder if she's dreaming
Yeah
Yeah
It's been a week now... she still hasn't woken up yet
Eden was also half destroyed even with all the restoration legion mobilized, it will take 3 months to repair
3 of us were wounded, Genai and Rizel were seriously injured
Only once... we fought only once against Pandaemonium and it left us wounded all over.
A distant dream...
I had a dream ...
And all too quickly... we had lost our freedom with time

Magdalene...?
Is that my name, Father?
That's right It's inconvenient not to have a name, don't you think?
what are you looking at?
Over there so many
So many people are dying

P, please calm down!
No! Don't come into my mind!
It hurts, it hurts, it hurts, it hurts, it hurts, it hurts, it hurts!!
People being shot and suffering
So painful
A lot of guerillas of the Northern Army died in this area
You must not 'look' at them
Let them be
Chrno ?
If I go to the convent, will 'Chrno' be there?
Won't you tell me more about yourself instead?
About me
Oh yeah!

.....Chrno....

Carry out your duty

I will take away your life

what they pro-

The legion that were injured by Pandaemonium's blade have fallen into necrosis
That's right unlike Viede, who's already recovered, those two were directly wounded
They can't return to normal anymore!?
Do we really have a way to resist it, I wonder
Pandae monium
In other words, injuries caused by Pandaemonium cannot heal
Yeah
Well, finding a way is my job!
In the meanwhile, it's time for a meal Call Shader
We're seriously up against the wall here well then what to do
Hm?

I was worried about you You were asleep for a whole week how are you feel
I didn't know you were awake
I've heard a lot of voices' Your voices and about the Sinners
Do you intend to fight this lonely battle like this forever?
'Alon' the Sinner the entity stripped of its title

http://www.chrno-crusade.com

I called you many times You never hear anything when you're concentrating on something
what's that thing?
Ah, you scared me!
Don't suddenly yell out my name!
Hmm something like an Astral Convergence Unit
Ah, whatever, let's go!

Since it'll remain as a substitute, I still need to improve it beyond needing another source of Astral
...like I said, it's a substitute for our horns.
Just how much do you know!?
Uh... I see...
This is something I deduced from our last fight, but I think we'll need it to fight Pandaemonium
Don't tell me you've reached the Sacred Region
What are you doing, Al...
Alon... Ma- Magdalene!?

Magdalene
Magdalene!!
!?
Did it... disap-pear?
Ah um what was I
Ah, yes
Are you alright?
That was not like him, I wonder what's wrong?
nothing much
Sorry about that, Magdalene
Hey, what happened?
Aion!

Once again I'm seeing it
What is wrong?
Chrno do you have a moment?
And sti need to get changed
So 'that time' has come.

http://www.chrno-crusade.com

I like to see the cities' lights just as the sun goes down
The lights from the town
And they'd tell the mothers, who are preparing dinner, all about their day
When fathers who are tired from work, and children who are tired from playing come home
And life
Within those lights there are families, livelihoods

The lights of life.
Each and every one of those flickering lights
Are proof that people are living

Actually, I don't either
HUH?
Then what was that about?
I don't know anything about people's childhoods

I don't remember my childhood

Dreams of war- those of soldiers swallowed in sand, rotting of thirst
Dreams of a young sibling suffering because of sickness
those of a bride in a small village being violated by those soldiers
My powers of 'vision'
would often let me see thousands of different 'dreams'

I knew everything that happened anytime, and anywhere, on this planet
My perception of everything did not differ one bit from the truth

My 'truth' got lost in there somewhere
It was all a bit too much

I knew your name before I ever understood words
That's me
A vessel that you can add anything to, but it's empty
dream that I kept having over and over again when I was little A dream that I came to see as my own
Ever so, there is one, and only one
It is the same inside me only reason has that I with such vague boundaries have
It is a dream of you

You are "Chrno"
The one who will steal my life.

You came here...
despite knowing that?
I will take
your life...?

Oh so you were already prepared for this?

Aion

Then we can cut the chit chat
Chrno, take her head off

Before she turns into Pandaemonium
Wha ....
It's the voices
She head or rather saw Pandaemonium's voices through her power of sight
At the same time the memories inside those voices flowed
Into her

The voices have already begun to taint her
She won't remain as Magdalene for much longer you know
We might consider it lucky for us
In other words Magdalene's memories have not only survived but are burning inside her brain
.....!

Well then, Chrno
Carry out your duty
Your duty as my sword.

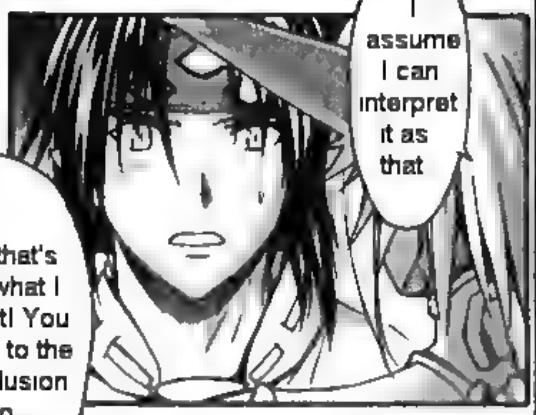
Doesn't hurt our partners
A way that

Is that to say you are abandoning your duties as my sword?



I assume I can interpret it as that
No, that's not what I meant! You came to the conclusion too

What are you

I regret bringing you along a little
As you can see, his edge has been dulled

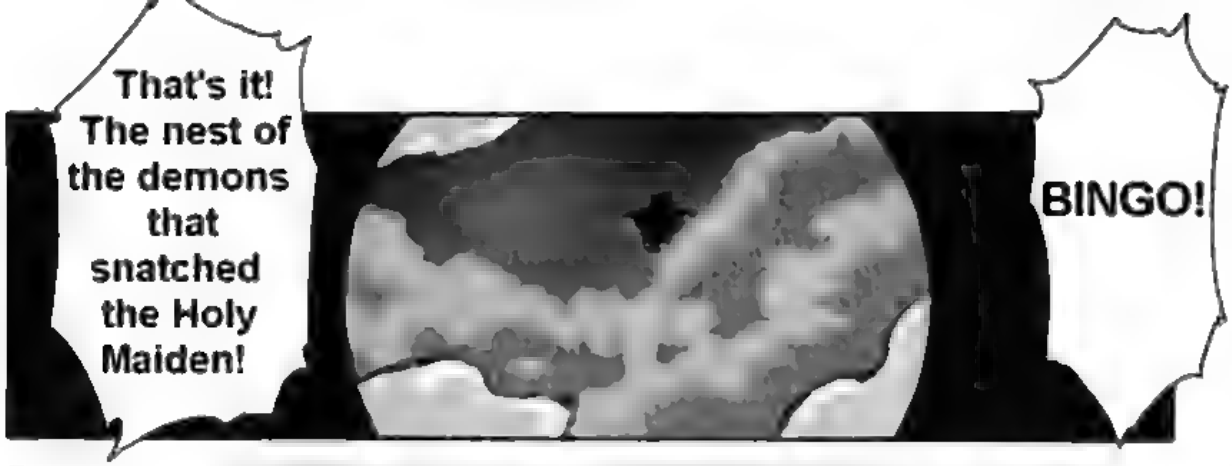
I'm going to retrieve Pandaemonium's memories even if it means churning your head inside out
That kind of information is too powerful for a human to have
You're afraid of something other than what you've used to seeing?
Don't worry
That's right. There only needs to be one truth
Keeping a secret from your friends?

http //www chrno-crusade com

Why do you decide so hastily ?
You can't see the alternatives because
you fixate in one of the options
If there aren't any then keep looking for them

expanding in all directions...
The path should be...
Get out of my way!
If you interfere again, then I will not hold back!
That's a fairy tale!
If you procrastinate, then you will run out of time even for your only option!
What are you hiding...
AION!
Why... are you so impatient? What is it about her... that scares you?

ドサ



That's it! The nest of the demons that snatched the Holy Maiden!
BINGO!

You can talk it took a whole 2 months to find it
I told you, Ewan. Have a bit of faith in my inventions!

Wh, what is that!?
Hmm?
What should we do now? Without an air balloon we can't get up there...

http //www chrno-crusade com

It's so beautiful
Even if you do something this reckless I will still
Even if
The blood won't stop
pushing you around,
Taking you along on a whim
I don't know anything about you either...
You said you wanted to know me
wanting to kill you

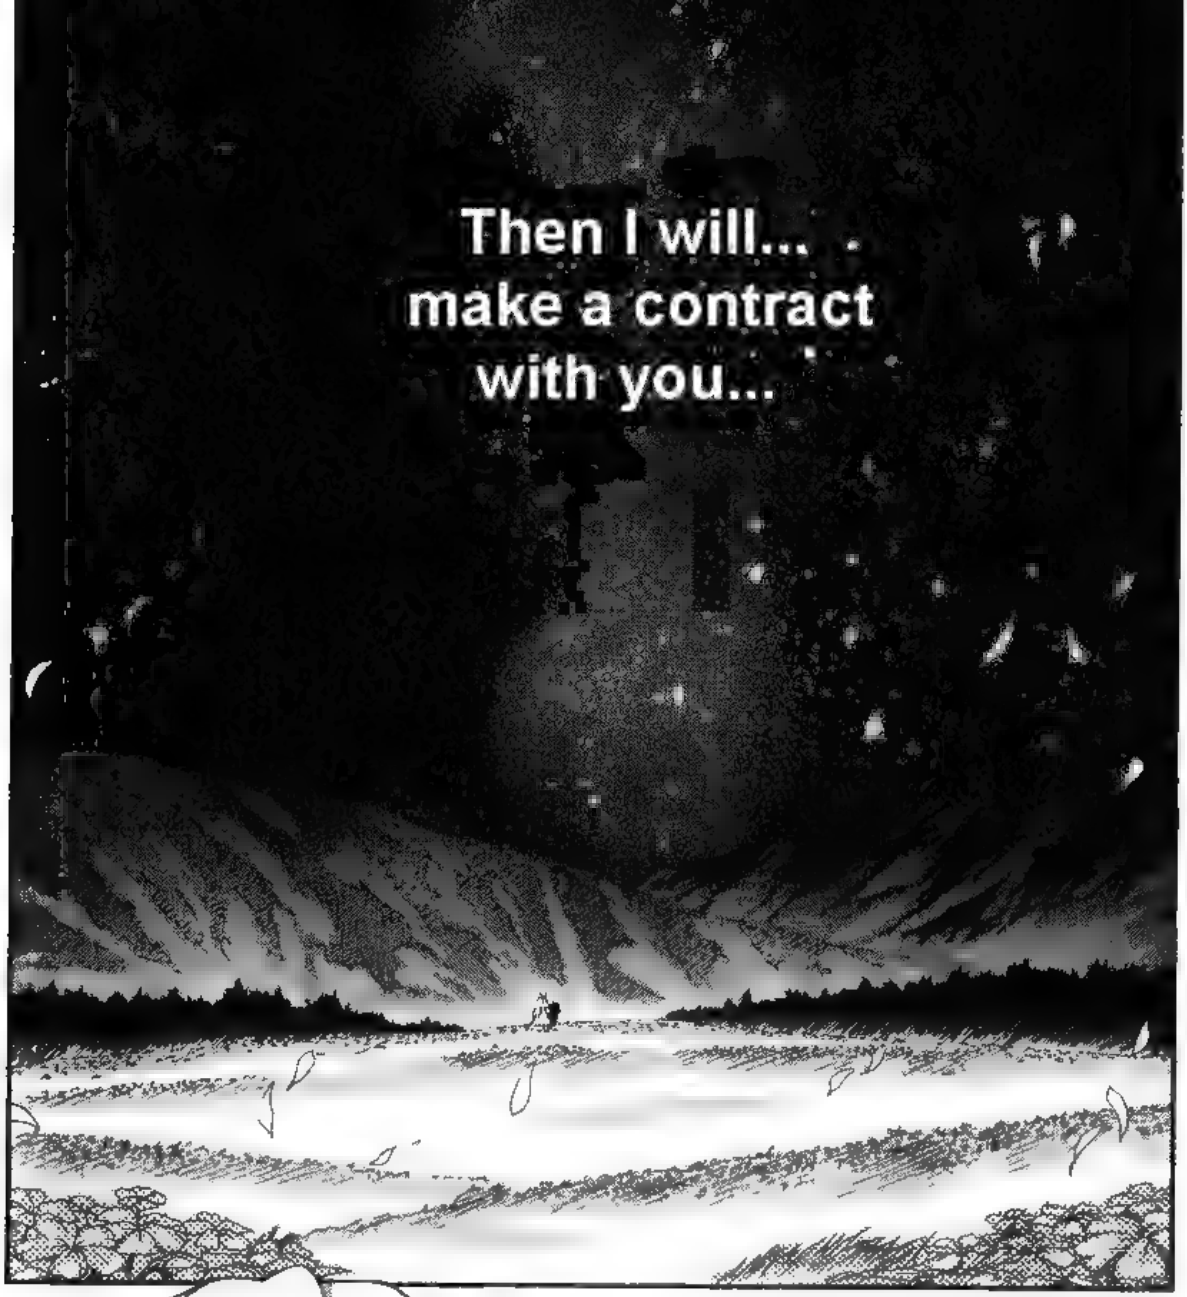
That's why... I didn't want to let you die without knowing a single thing about you
But... but... at this rate...
I don't want to let you die either
Now we're even, then

http //www chrno-crusade com

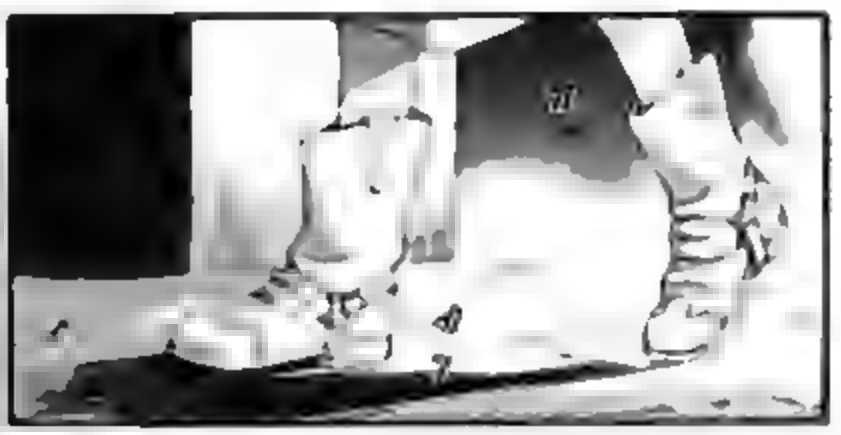
We will enter into a 'contract'
.....
Chimo please listen very carefully
Con tract? What is that?
First, I will give you some of my blood
It's fine it's only a little bit besides
I don't want to die anymore

A contract? If I make a contract with you...
Would that stop your tears?
Will you smile for me again?

Could I then live without...
taking your life...?



Then I will...
make a contract
with you...



I finally get to see you, Chrno
I finally found you
Come on let's go back
I can't! I... can't go back!

AN ACTION COMPELLED BY FAITH... CANNOT BE EASILY STOPPED.

WHERE ARE YOU AIMING?

I'M SERIOUS.
I MISSED ON PURPOSE. THE NEXT WILL HIT.
YOU TOLD ME THIS... WHEN I WAS AN APPRENTICE.
"IF YOU JUST PULL THE TRIGGER WHENEVER THERE IS TROUBLE, YOU CAN'T SOLVE ANYTHING."
BUT... THERE ARE ALSO TIMES WHERE IF YOU DON'T FIGHT YOU CANNOT TAKE ANOTHER STEP FORWARD.
WHEN THAT TIME COMES, WE WON'T LOSE OUR WAY
FOR EXAMPLE, EVEN IF IT IS YOU.
.....
ROSETTE. PUT THE GUN DOWN...

!?

I'M GOING. DON'T LOOK BACK, LOOK AHEAD.
THERE IS A NEW MODEL WEAPON IN THE TRUNK. IT SHOULD DEFINITELY DO THE JOB.
MINISTER!!
WE BOTH HAVE DIFFERENT FIGHTS WAITING FOR US.
IF POSSIBLE, I HOPE THAT WILL BECOME YOUR SUPPORT

SFX. WALKING

I THOUGHT YOU WOULD FIND IT, SO I LEFT "THIS" HERE.

GO AHEAD! TO THE TRANSPORTATION GATE LOCATED UNDERGROUND!
-SO...
YEAH... SHE HAS A STRONG HEART...
HA HA... SHE IS... UNPREDICTABLE, BUT GOOD.

IT IS DISGUISED WITH DEMON CELLS, SO YOU CANNOT SEE IT.
GO! MAGDALE'S INVESTIGATION IS NO GOOD.
I'M WAITING ONE STEP AHEAD. SEE YOU!
IS THIS OK...? IF WE GO FORWARD... WE CAN'T RETURN?

THIS ENDS VOLUME 6!

IT ALL WRAPS UP IN THE NEXT TWO VOLUMES, WHICH I HOPE TO RELEASE (SOMETIME) SOON.

IF THE RELEASE SPEED SLOWS DOWN A BIT, I'M SORRY...THAT WILL BE MY FAULT. I'LL BE GRADUATING IN JUNE, BUT WITH THAT COMES EXAMS, AND ALL THAT OTHER FUN STUFF.

I PROMISE TO TRY TO TRANSLATE AS MUCH AS POSSIBLE IN THE NEXT FEW WEEKS BEFORE IT GETS REALLY HECTIC FOR ME!
